

THE GLOBAL LIST OF LEGAL AWARDS AND THEIR DEADLINES. ALL IN ONE PLACE.

Comprehensive. Searchable. Up to Date.

Comprehensive + Searchable

We have more than 9,000 listings and it's growing every day. LexLists is the only place you can find and search multiple relevant legal and business rankings, awards, and directories. Search by region, award type and many other fields and filters.

Constantly Updated

Our team of analysts works constantly to keep LexLists up to date. We monitor publications and leverage technology to keep track of all submission deadlines.

Alerts and Reminders

For your awards saved in My List, you can set up email and LexLists alerts to know whenever there is a change in an award — or to be reminded that a deadline is approaching.

Save My Awards

Use LexLists' *My List* feature to save awards you are interested in, write notes, and even share the detailed requirements of the award with your colleagues.

Search by Special Criteria

Find the best awards to highlight a specific lawyer, practice group, office, hot issue, or big win. Search using criteria such as: age (e.g., *40 Under 40*), gender, ethnicity, region, practice area, industry, and many more.

Never Miss Another Deadline

View and export all your awards and directories in a calendar view. Also view within LexLists on a calendar.

NEW: Track Results

Track what/who submitted and all rankings, including editorial quotes. Search, filter and generate Results Reports — for one practice group or the entire firm for multiple years.

Secure and Reliable

State-of-the-art bank-grade security, reliability, and availability. Access to LexLists is available only via Secure Socket Layer (SSL) using strong encryption.

NEW: Use Tags to Make Lists

Need to slice/dice your saved Awards by practice group, location, industry or other category? Our new Tags feature lets you sort any way you like.
